

# Healthcare Coalitions

Working together with our community partners to ensure the delivery of healthcare and continuity of essential services in times of disaster. We plan together, we train together, we respond together, and together we will recover from the complexities & uncertainties of disasters. It's free to join. Get involved. Your community needs you now more than ever!

## East Central Healthcare Coalition

Stacey McClain: 334-462-5167
