

University of South Alabama
Assistant Professor of Chemistry

TENURE-TRACK POSITION: The University of South Alabama Chemistry Department seeks applications for a tenure-track position at the Assistant Professor level to begin August 15, 2010.

A Ph.D. in Chemistry or related field is required, and postdoctoral experience is desirable. Primary teaching responsibilities will include Organic Chemistry lecture and lab. The establishment of a productive, externally-funded research program will be a requirement for advancement. Preference will be given to individuals with research interests in synthetic organic chemistry. Ours is an undergraduate department where the tempo of research activity and level of external funding are both high; however excellence in teaching is also expected. Start-up funds are negotiable, and salary is competitive. More detailed information may be found at <http://www.southalabama.edu/chemistry/>.

Please send a letter of application, CV, research & funding plan, and statement of teaching philosophy to: Dr. Richard E. Sykora, Chair, Chemistry Faculty Search Committee, 307 N University Blvd, CHEM 223, Mobile, AL 36688. Three original recommendation letters and official transcripts must be sent to the same address. Review of applications will begin on March 1, 2010 and continue until the position is filled. The University of South Alabama is an Equal Opportunity/ Equal Access Employer.
