

UNIVERSITY OF SOUTH ALABAMA MATHEMATICS AND STATISTICS

The University of South Alabama Department of Mathematics and Statistics invites applications for a tenure track assistant professor in statistics starting August 15, 2012.

Applicants must have a doctorate in statistics, biostatistics, or a related field, but ABDs near completion of degree will be considered. Applicants should have a strong commitment to both teaching and research. A completed application consists of a cover letter, vita, statements of teaching philosophy and research goals, three original signed letters of recommendation, and official transcripts. Review of applications will begin on March 1, 2012, and continue until the position is filled. To apply, submit a cover letter and vita online via mathjobs.org.

We cannot accept applications submitted directly to department faculty via email. Arrange for letters of recommendation to be submitted online via mathjobs.org, and arrange for original signed letters and official (graduate and undergraduate) transcripts to be sent to:

Dr. Bin Wang
Search Committee Chair
Department of Mathematics and Statistics
University of South Alabama
411 Univ. Blvd, ILB 325
Mobile, AL 36688

The department will inform the candidates on its list of interviewees the precise documents that will be needed before an official offer can be made. USA is an Equal Opportunity/Equal Access Employer. Further information is available at <http://www.southalabama.edu/mathstat/>
