

University of South Alabama
Mobile, Alabama

Earth Sciences Department
Geology-Geography-Meteorology

Meteorologist

The University of South Alabama Earth Sciences Department invites applications for a full-time nine month, non-tenure track instructor in meteorology to begin August 15, 2009. The successful candidate must have an M.S. in Meteorology or equivalent. However, an ABD will be considered. The candidate will teach 2 introductory meteorology courses with labs and assist in running Synoptic Meteorology Lab sessions. Operational experience will be highly desirable, but not essential. Send a copy of your curriculum vita, official transcripts, and three original letters of recommendation to Dr. Sytske Kimball, Earth Sciences Department, LSCB 136, University of South Alabama, Mobile, AL 36688. Review of applications will begin immediately and continue until the position is filled. The University of South Alabama is an Equal Opportunity/Equal Access Employer.
