September 12	CNS, cerebral cortex, diencephalons	13	Stanfield
September 14	CNS, brainstem, meninges	13	Stanfield
September 16	CNS, spinal cord, pathways	13	Stanfield
September 19	The peripheral nervous system	14	Stanfield
September 21	EXAM 1		
September 23	The autonomic nervous system	15	Stanfield
September 26	The special senses, eye	16	Stanfield
September 28	The special senses, ear	16	Stanfield
September 30	The integumentary system	5	Aliabadi
October 3	Bones and skeletal tissues	6	Aliabadi
October 5	Bones: the axial skeleton	7	Aliabadi
October 7	Bones: the axial skeleton	7	Aliabadi
October 10	Bones: the axial skeleton	7	Aliabadi
October 12	EXAM 2		
October 14	The appendicular skeleton and joints	8,9	Aliabadi
October 17	Muscle tissue	10	Aliabadi
October 19	Muscles of the body	11	Aliabadi
October 21	Muscles of the body	11	Aliabadi
October 24	Blood	17	Nenstiel
October 26	The heart	18	Nenstiel
October 28	Blood vessels	19	Nenstiel
October 31	Blood vessels	19	Nenstiel
November 2	The Lymphatic system	20	Aliabadi
November 4	The respiratory system	21	Aliabadi
November 7	Exam 3		
November 9	The respiratory system	21	Aliabadi
November 11	The digestive system, oral cavity to stomach	22	Aliabadi
November 14	The digestive system, intestines	22	Aliabadi
November 16	The digestive system, accessory structures	22	Aliabadi
November 18	The urinary system	23	Aliabadi
November 21	The urinary system	23	Aliabadi
November 23	Thanksgiving Holiday		Aliabadi
November 25	Thanksgiving Holiday		Aliabadi
November 28	The reproductive system, male	24	Aliabadi
November 30	The reproductive system, female	24	Aliabadi
December 2	The endocrine system	25	Aliabadi
December 5	Last day of Classes, Review		Aliabadi
December 7	No class		
December 9	Final Exam 10:30 AM-12:30 PM		

Last day to withdraw from a fall of 2005 class is November 11, 2005
