October 1, 2009

Dear Clinical Instructor:

I am pleased to advise you that, upon the recommendation of the Chair and faculty of the Department of Physical Therapy, I am offering you an initial appointment as a Clinical Adjunct Faculty in the Department of Physical Therapy, effective October 1, 2009. This appointment is offered in recognition of your participation in the clinical education of Physical Therapy students and other contributions to the department. One benefit of your appointment as adjunct faculty is library privileges at the University of South Alabama. If you would like to receive the application to attain library privileges please indicate so in the space below.

Since this appointment is not on a full-time basis, it does not include retirement, insurance, or other fringe benefits nor does it qualify under the tenure and promotion policies of the College.

This appointment will be in effect until notification by either you or the Department to the other terminating the appointment. We appreciate your consideration of this appointment and your valued contributions to the Physical Therapy student education.

If you wish to accept this appointment, please sign below and return to the Department of Physical Therapy.

Sincerely,

Richard E. Talbott, Ph.D.  
Dean, College of Allied Health Professions
