

DRIVING DIRECTIONS

Department of Speech Pathology and Audiology
USA Speech and Hearing Center
University of South Alabama, College of Allied Health Professions
Health Sciences Building HAHN 1119
5721 USA Drive North
Mobile, AL 36688
Phone: 251-445-9378

From Airport Blvd:

- Take University Blvd north (right if you are coming from I-65) and as you cross Old Shell Rd, you will see the campus on your left.
- At the third traffic light, turn left on USA North Drive and the Health Sciences Building will be the building at the intersection on the left. From the parking lot at back of the building, you will see the outside entrance for the USA Speech and Hearing Center. Park in "Patient Parking" and enter the lobby. Request a parking pass for your vehicle.

From Springhill Ave/Moffett Rd/ Zeigler Blvd:

- Take University Blvd south and the first part of the University you pass will be the USA Research Park on the right, including a traffic light at the entrance.
- The next traffic light to the right is USA North Drive, and the Health Sciences Building is the large building at the intersection of USA North and University Blvd located on the right. From the parking lot in the back of the building, you will see the outside entrance for the USA Speech and Hearing Center. Park in "Patient Parking" and enter the lobby. Request a parking pass for your vehicle.
