

Alumni Information

The USA Department of Speech Pathology and Audiology is in the process of forming a departmental alumni society. The society may engage in activities such as providing mentoring opportunities for students interested in the professions, planning continuing education opportunities for professionals in the community, and raising financial support for special projects related to the department or clinic. Please use the form below to provide your updated information which may be used to inform you of upcoming alumni opportunities and events. Visit the USA Alumni table in the lobby to turn in the form and receive more information.
