South Spotlight

The South Alabama legacy runs thick in the Hughes family. Graduating in 1981 with a finance degree and later in 1986 with his MBA, Tony Hughes will one day soon have all three of his children share his Alma Mater.

Tony is very excited about the upcoming Inaugural Football Season. His youngest daughter began classes last June and will be in the very first USA Marching Band! "It is an exciting time for South Alabama and to have a child involved with the inaugural football season adds a great deal of Jaguar Pride to our family," said Hughes. With season tickets on the way, the Hughes' can't wait for September 5th!

Tony is no stranger to the USA National Alumni Association. He served as a member of the Board of Directors from 2001-2005. He is the President and CEO of Beach Community Bank which he helped organize in 2001. The bank now has fourteen locations in North West Florida with over \$700 million in total assets. Tony attributes much of his success to the education he received at South. So great that he has supported three children through the University's academic programs!
