

MS 101 Basic Leadership Skills
Military Science Department
University of South Alabama

Instructor: MAJ Bass Office: 460-6341, E-mail: gbass@usouthal.edu
Office Hours: M-F, 0900-1700

Course Description: Basic Leadership skills is a course taught by instructors from the Military Science Department (ROTC). This course is designed to teach leadership and team building skills, used by the U.S. Army, to college students.

Course Goals: The course goal is to familiarize you with basic military leadership and team building skills to carry forward in your chosen career.

Texts: MSL 101/102, FM 21-20 Physical Fitness Training.

Training	Day	Time	Location
MS 101 SEC 101	T	0930-1020	Classroom #2
MS 101 SEC 103	T	1400-1020	Classroom #2
MS 101 SEC 102	R	0930-1020	Classroom #2

<u>Grading System</u>		<u>Grading Scale</u>
Oral Presentation	25%	A = 90-100%
Effort	25%	B = 80-89%
Attendance	10%	C = 70-79%
Practical Exercise	20%	D = 60-69%
Quizzes/Final	20%	F = 59-0%

Attendance Policy: Attendance at all class meetings is highly encouraged and is part of your grade.

Optional ROTC Cadet Track: If you desire to become an ROTC Cadet you may apply through Major Bass, for admission to the ROTC program. Any student who desires to participate in adventure training and/or become a member of the USA Cadet Battalion may see MAJ Bass after class for a schedule of briefings. If selected, you will be required to attend Physical Training 2 days a week and Lab every other week. In addition you will be issued required uniforms and equipment but, must pass practical exercise on CC 670-1. Scholarship students are required to maintain "cadet" status.

Open Door Policy: My door is open to you. Please do not hesitate to ask me for help. I work for you, if you have any conflicts with your class schedule we will work together to find a suitable solution.
