JAGUAR ANNOUNCEMENTS

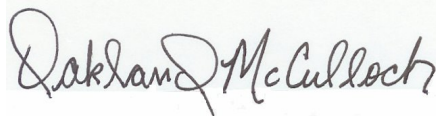

I would encourage all of you to take a look at the USA Army ROTC website. There is a section dedicated to the Alumni of this program. There is a lot of information about the program and plenty of photos of current cadets in action and quite a few Alumni photos as well. With a new school year beginning I would like to invite any of you in the area to stop by for a visit. We'd love to have you stop in to say hello and I know you will be impressed by the quality of our cadets.

FINAL THOUGHT

This Alumni SITREP is only as good as the information you send in. I'd love to hear from more of our Alumni so I can make sure everyone is keeping in touch. Please pass this SITREP on to any alumni of the program that you believe might be interested. I would love to give their update in the next SITREP. This has always been and continues to be a great program and we'd like for you to continue to be a part of it.

Best wishes to you and your families. Take Care.
