

Dear Friends and Supporters of the University of
South Alabama Student Chapter of ASCE:

We are pleased to announce the 4th Annual ASCE
Student Chapter Fundraising Golf Tournament to be
held on Friday, November 20, 2009. This year's
tournament will feature a great, newly renovated
course, and exciting prizes (including a \$10,000 hole-
in-one prize). The four-man scramble will be held at
the Crossings Course, Magnolia Grove Golf Club in
Mobile, AL.

One of Mobile's most beautiful courses, the recently renovated Cross-
ings Course features newly designed green complexes and extensive
tree removal giving it a more open feel. Several of the holes are
entirely redesigned with new water features. The championship course
is located in Mobile, just minutes off I-65, and is home to the Bell
Micro PGA Classic (www.riggolf.com).

Thanks to the sponsors and players involved in our previous tourna-
ments, we have raised thousands of dollars to support the students'
hands-on knowledge by the building of numerous concrete canoes,
and steel bridges for past ASCE competitions. We look forward to
continuing this tradition with your valued support and participation,
as well as that of new sponsors and players. Please share this bro-
chure with friends and colleagues.

See you at Magnolia Grove on November 20th...

Go Jags!
