Post Office

The University of South Alabama Post Office is essentially a Public Contract Station operating under U.S. Postal Service guidelines and a mail room operating under the University of South Alabama guidelines and procedures.

This Post Office is staffed with University of South Alabama employees, who are familiar with all areas of postal operations and are qualified to handle most tasks. Up-to-date domestic and international manuals are maintained and used for reference purposes. Window service consists of selling postal supplies and accepting letters, flats and parcels for mailing. Departmental mail pickup and delivery service is provided by means of an established route. The Campus Mail Room processes all departmental mail, domestic and foreign, except C.O.D., which must be handled with the U.S.P.S. The Campus Post Office accepts cash and checks only.

All students who live on campus are required to have a personal mail box to receive mail. Mail is not delivered to the Residence Hall Rooms. Residence Hall students need to activate their PO Box @ the Post Office and complete a short form.
