

Elementary Education: Alternative Masters Practicum

EEC 557 Practicum

This course is designed for all Elementary Alternative Master students and should be the first graduate course the Alternative Master student takes during her/his program. Students will meet once a week in class on the USA campus and will be assigned to a K - 6 classroom teacher in the public school system for the semester in which the student is enrolled. During the field placement, students are expected to observe the teaching and learning process, assist the teacher and students, and engage in professional reflection.
