

Elementary Education, B.S.

The program in Elementary Education is designed to prepare teachers for kindergarten through sixth grade. Successful completion of the program may qualify the candidate for a Class “B” Professional Educator certificate in Elementary Education.

Students may also qualify for a Class “B” Professional Educator Certificate in Early Childhood Education (P-3) through additional course work and internship placement.

The purpose of a teacher education program shall be to prepare prospective teachers to select, implement, and evaluate diverse strategies and resources to provide secondary students with the skills and knowledge appropriate for the individual teaching fields.
