Only two, one-hour internships allowed in a single semester

Instructional Support (12 semester hours)

EPY 502	Psychological Principles of Learning	3	_____	_____
EDF 515	Multicultural Education	3	_____	_____
IDE 510	Educational Research and Evaluation	3	_____	_____
SPE 500*	Nature & Needs of Exceptional Children and Youth	3	_____	_____

**If a survey course in Special Education was previously taken at the undergraduate or graduate level, an advisor-approved elective may be taken in lieu of SPE 500.*

Instructional Support courses taken as part of another master's degree may be used in this area, for students seeking certification only and do not intend to seek a second master's degree.

A minimum grade of B is required in each of the EDM core courses and a satisfactory performance in each of the internship experiences.

You will be required to accumulate a total of 300 contact hours during the three **internships: A, B, and C** (100 hours in each). Of the 300 total hours, 150 must be accumulated in a P-12 school library media center. Although it is preferred that you accumulate all internship hours in a P-12 school library media center, other settings may be approved, such as a public or university library. **Internship A MUST be conducted in a school library media center.** Of the 300 total hours, at least 100 must be accumulated at the elementary level (K-6) and at least 100 at the secondary level (7-12); the remaining 100 may be at the level(s) of your choice. Although it is your responsibility to initiate the internship experiences (determine the internship sites and seek preliminary approval from the school administrators), the professors will work with you to schedule the internship experiences as conveniently as possible. The supervising library media specialist must be certified, currently employed as a media specialist, and have at least three successful years as a media specialist. 8-22-11
