1. Completion of 60 semester hours of course work, 48 of which must be in General Studies and completion of the required Freshman Experience, if applicable,
2. A minimum grade-point average of 2.2 in courses taken in the major/specialization (including transfer work);
3. A minimum grade-point average of 2.2 on all work attempted at the University of South Alabama;
4. Satisfactory performance on the College of Education Reading Test (IDE 010). Students seeking a second bachelor's degree or students with E-ACT scores of 19 Reading (or higher) or *480 or better on SAT Critical Reading component.*)are exempt from IDE 010. Students are limited to two attempts for IDE 010. After two unsuccessful attempts individuals are required to seek remediation and register for RDG 151 until they meet the requirement.
5. Completion of EH 101____, EH 102____, LS 191____, LS 292____, LS 391____, CA 110____;
6. Sufficient physical ability and emotional stability to perform success fully as a professional. These and other factors could be determined through a departmental interview.
7. A recommendation from the advisor and department chair.

How to apply?

Students can obtain the application form and submit at the College of Education's Advising Center in the University Commons (UCOM 3360). The College of Education Student Services Committee may recommend, defer, or deny the admission of the student to the program.

Students should apply for admission to candidacy early in the semester during which they plan to complete the requirements, allowing the committee time to evaluate course work and the application. Admission to candidacy will remain "deferred" until qualifying grades are submitted at the end of the term. Once grades are available, the block will be removed, and students can register immediately.
