

Dr. Wesley Terwey
Department of Earth Sciences – College of Arts and Sciences

University of South Alabama
Mobile, Alabama

Earth Sciences Department
Geology – Geography - Meteorology

Tenure-Track Assistant Professor of Meteorology

The University of South Alabama Earth Sciences Department invites applications for a tenure-track assistant professor in meteorology to begin 15 August 2017. The successful candidate should have a Ph.D. in Meteorology, Atmospheric Sciences, or a directly related field. An ABD will be considered, but preference will be given to applicants with a Ph.D. The candidate will be expected to teach upper level courses in synoptic meteorology, as well as either radar or satellite meteorology. Additional courses will be determined or developed, as needed. Preference will be given to candidates who have a background which includes some operational forecasting experience. In addition to teaching, the successful candidate is expected to perform research in a field of his or her choice through competitive external funding.

Send printed copies of your curriculum vitae, transcripts, and two letters of interest detailing teaching philosophies and research interests to:

Dr. Wesley Terwey
LSCB 136
University of South Alabama
5871 USA Dr. N.
Mobile, AL 36688.

Three signed letters of recommendation from professional contacts should also be arranged to be sent to the same address. Emailed applications or letters of recommendation will not be accepted. Review of applications will begin on 13 January 2017 and continue until the position is filled.

Questions and inquiries can be made to Dr. Wesley Terwey (terwey@southalabama.edu).
