

CURRICULUM VITAE

Charles Hawkins Brown
October, 2017

Academic Specialty: Psychobiology (emphasis in sensation, perception, communication disorders, acoustics, hearing, laryngeal biomechanics, vocal production, animal behavior, comparative and evolutionary psychology), and the Teaching of Psychology.

Contact Information:

Home Address:

111 Windwood Circle
Daphne, AL 36526
(251) 472-5818 (cell)

Professional Address:

Department of Psychology
University of South Alabama
Mobile, AL 36688
(251) 460-6371
cbrown@southalabama.edu

Academic Rank: Professor of Psychology

Professional Experience:

Professor, Department of Psychology
University of South Alabama, 1991-current

Adjunct Professor, Department of Speech Pathology and Audiology
University of South Alabama, 1991-2000

Associate Professor, Department of Psychology
University of South Alabama, 1987-1991

Adjunct Associate Professor, Department of Speech Pathology
And Audiology, University of South Alabama, 1988-1991

Guest Scientist, Naval Aerospace Medical Research Laboratory, Naval Air
Station, Pensacola, Florida, 1987-1991

Assistant Professor, Department of Psychology, University of
Missouri, 1979-1987

Postdoctoral Fellow, Department of Ophthalmology, University
Of Michigan, 1978-1979

Postdoctoral Fellow, Kresge Hearing Research Institute, University of Michigan,
1976-1978

Education:

Ohio Wesleyan University, 1965-1966

Western Michigan University, 1966-1969 B.A. Magna Cum Laude, Honors in Psychology

Michigan State University, 1971-1976 M.A., Ph.D. (Psychobiology)

Honors and Awards:

Graduated **Magna Cum Laude** with **Honors** in Psychology, 1969,

Western Michigan University

Elected to **Phi Kappa Phi**, 1973,

Michigan State University

Selected CIC Traveling Scholar, 1975,

University of Michigan

Recipient: **Research Career Development Award**,

1984-1989, National Institutes of Health

Elected **Fellow, American Psychological Association (Division 6)**, 1990

Selected: **Scholar of the Year**, 1990, Phi Kappa Phi, University of South Alabama

Certificate of Recognition, Comparative Investigations of Biological Processes in Normal and Disordered Hearing and Communication, 2013, University of South Alabama

Quality Enhancement Plan Professional Development Fellow, 2015,

University of South Alabama

Grant Support:

Principal Investigator: National Research Service Award, Cochlear trauma and auditory localization in primates. 1976-1978. Funded for \$26,400.

Principal Investigator: UMC Research Council, Auditory processing in birds. 1979. Funded for \$2,400.

Principal Investigator: UMC Research Council, Vocal radiation patterns and auditory processing in birds and primates. 1980. Funded for \$2,380.

Principal Investigator: UMC Research Council, Foreign travel. 1980. Funded for \$1,050.

Principal Investigator: UMC Special Equipment Fund, Computer peripherals. 1980. Funded for \$5,700.

Principal Investigator: NIH, Perceptual adaptations for communication (RO1 NS16632-01). 1980-1984. Funded for \$177,208 (total costs).

Project Director: UMC Chancellor's Unrestricted Development Fund, Equal opportunity: The advancement of Science and Human Welfare. 1981. Funded for \$6,000.

Principal Investigator: NIH, Perceptual adaptations for communication (RO1 NS16632-05). 1984-1989. Funded for \$403,695 (total costs).

Principal Investigator: NIH Research Career Development Award (KO4 NS00880-01). 1984-1989. Funded for \$270,000 (total costs).

Co-Principal Investigator (with J. Sinnott): NIH, Auditory perception in humans, monkeys and chinchillas (RO1 DC00541-03). 1988-1991. Funded for \$255,920 (total costs).

Principal Investigator: Air Force Office of Scientific Research, Defense University Research Instrumentation Program, Supercomputing and the processing of acoustic transients by biological systems and machines (88450-0500). 1988-1990. Funded for \$43,436 (total costs).

Principal Investigator: NIH, Perceptual Adaptations for Communication. (RO1 DC00164-11). 1989-1994. Funded for \$879,282 (total costs).

Principal Investigator: NIH, Perceptual Adaptations for Communication: Minority Student Supplement. 1990-1992. Funded for \$32,568 (total costs).

Principal Investigator: State of Alabama Supercomputer Network, Proposal for Block II Allocation for Signal Processing. 1989-1990. Allocation approved for 100 hours (\$120,000).

Principal Investigator: Arts and Sciences Support and Development Awards (USA), The Acoustic Basis of Primate Vocal Communication. 1990. Funded for \$1,000.

Principal Investigator: University of South Alabama Biomedical Research Support Grant. Technical Advancements and Communication. 1992. Funded for \$2,000.

Principal Investigator: NSF, Digital Audio and Communication Science. Laboratory for Undergraduate Psychology and Speech Pathology and Audiology Students. 1993-1994. Funded for \$22,759. (Matched for \$22,760.)

Principal Investigator: NIH, Small Instrumentation Grant. 1993. Funded for \$5,000.

Co-Principal Investigator (with J. Sinnott). NIH, Comparative Speech Perception. 1993-1998. Funded for \$463,398.

Co-Principal Investigator (with J. Sinnott). NIH, Comparative Speech Perception. 1998-2002. Funded for \$581,459.

Co-Principal Investigator (with M. S. Gordon, & J. D. Foster). USA Research Council, To Swing or not to Swing: Psychological factors associated with decision-making in Major League Baseball. 2007-2008. Funded for \$ 4,498.

University Service:

Member of Graduate Faculty, University of South Alabama,
January 7, 1988-current.

Member of Undergraduate Committee, Department of Psychology,
University of South Alabama, 1987-current.

Institutional Animal Care and Use Committee, University of
South Alabama, September 1989-September 1992.

Member of Rapid Response Subcommittee of IACUC, University of
South Alabama, September 1990-1992.

Member of Committee on Standards in the Conduct of Research,
University of South Alabama, September 1989-September 1992.

Member of Graduate Council, University of South Alabama,
September 1989-September 1993.

Member of Graduate Council Credentialing Committee,
University of South Alabama, September 1990-1993.

Chair, Graduate Council Credentialing Committee,
University of South Alabama, September 1992-1993.

Ph.D. Implementation Committee, Communication Sciences and
Communication Disorders, University of South Alabama, October 1989-1994.

Final Course Grade Grievance & Academic Conduct Committee
Alternate Member, Department of Speech Pathology & Audiology
(Graduate), University of South Alabama 1990-1992.

Member, Faculty Senate, University of South Alabama, 1991-1994.

Chair, Faculty, Staff and Administration Evaluation Committee, Faculty Senate
1993-1994.

Member, Southern Association of Colleges and Schools Committee on Student Activities
and Development Accreditation Subcommittee on Programs and Services. 1991-1992.

Member, Faculty Service and Development Award Committee,
College of Arts and Sciences. 1991-1992.

Member, Department of Biological Sciences Chair Search Committee. 1992.

Faculty Advisor, Psi Chi. 1992-1994.

Mentor, Discover Your Future Program for Minority Students, 1992-1993.

Mentor, Faculty Mentor Program. 1992-1996.

Member, University Council on Research. 1992-1993.

Member, Faculty and Administration Steering Team, 1993-1995.

Member, University of South Alabama Research Council, 1996-1999.

Member, College of Arts & Sciences, Tenure and Promotion Committee, 1999-2000.

Member, College of Arts & Sciences, APPC, 1999- 2001.

Chair, College of Arts & Sciences, APPC, 2000-2001.

Chair, Assessment Committee, Department of Psychology, 2001-2002.

Chair, Advisory Committee, Department of Psychology, 2002-2003.

Mentor, Faculty Mentor Program. 2003-2005.

Chair, General Psychology Redesign Committee, Department of Psychology, 2006-current.

Chair, Personal Response System Task Force, University of South Alabama, 2006-2007.

Chair, Promotion & Tenure Committee, Department of Psychology, 2007-2008.

Faculty Advisor: Jaguar Motorcycle Club (JMC), (The University of South Alabama Motorcycle Club), 2008-2010.

Member, College of Arts & Sciences, Sabbatical Review Committee, 2014-2015.

Professional and Honorary Societies:

Acoustical Society of America
American Psychological Association
American Psychological Society
Animal Behavior Society
Association for Research in Otolaryngology
Phi Kappa Phi
Psi Chi

Southeastern Psychological Association
Sigma Xi
Society for Neuroscience

* Invited Address

** Chair or co-chair of paper session or symposium

Courses Taught in the Past Two Years:

PSY 120 General Psychology

PSY 310 Biopsychology

PSY 428 Perception

PSY 475 Comparative and Evolutionary Psychology

Recent Professional Service:

Editorial Board: *The Open Acoustics Journal*. February 2008-present.
Bentham Open Publishers.

Senior Editor: Bentham Publishers eBook series in *Comparative Bioacoustics*.

Ad hoc Reviewer: Journal of the Acoustical Society of America

Ad hoc Reviewer: Journal of Experimental Biology

Ad hoc Reviewer: Nation Science Foundation

Ad hoc Reviewer: LSB Leakey Foundation

Community Service:

Mentor, Triple E Program for Gifted Children, Columbia MO Public Schools, 1984.

Citizens Task Force, Storm Water Management, City Council, Columbia, MO, 1984-1986.

Assistant Den Leader, Cub Scout Den 5, Pack 129, Mobile, AL 1993-1998.

Den Leader, Cub Scout Den 1, Pack 129, Mobile, AL 1994-2000.

Board Member, Boy Scout Troop 292, Mobile, AL 1998-2001.

Little League and Babe Ruth Baseball Coach, Westside Athletic Association, Mobile, AL 1995-2005.
