

75 YEARS OF APOLOGY: G.H. HARDY'S "A MATHEMATICIAN'S APOLOGY"

Join us for a
celebration of
the 75th
anniversary of
this popular
and
controversial
book.

When the second edition of "A Mathematician's Apology" appeared in 1967, one well-known critic added to his praise a warning: "it won't make a nickel for anyone." In this talk, intended for general audience, we explore the history of the book as well as the tension between pure and applied mathematics.
