Research Interests

- Behavioral information security
- Cross-cultural differences in behaviors associated with information systems usage

Teaching Interests

- Business Telecommunications / Networking
- Systems Analysis and Design
- Database Analysis and Design
- Information security and related courses (digital forensics, cryptography, network security)

Education

- Ph.D. in Business Information Systems from Mississippi State University, graduated Summer 2015
 - Dissertation successfully defended on June 23, 2015 -
“The Influence of Self-Determined Motivation on Security Education Training and Awareness (SETA) Programs”
- Graduated Cum Laude with Bachelor of Science in Computer Information Systems (3.6 GPA / 4.0 Scale) from Nicholls State University, May 2006

Teaching Experience

- Instructor for undergraduate Business Database Systems (MSU; Fall 2014-Spring 2015)
- Instructor for undergraduate Systems Analysis and Design (MSU; Spring 2013-Spring 2014; 4.36/5 average student evaluation score)
- Teaching Assistant for Intro to Business Information Systems (MSU; Fall 2011, Fall 2012, Spring 2013)
- Teaching Assistant for Management Senior Seminar (MSU; Spring 2012)
- Teaching Assistant for Cross-Cultural Management (MSU; Spring 2012)
- Teaching Assistant for iPhone Programming First Year Seminar (MSU; Fall 2011)
- Developed and taught new course at Central Catholic High School called IT Essentials; teaches students how to diagnose and fix hardware and software problems in PCs and laptops
- Developed IT2 course; students gain real-world experience by troubleshooting real computer problems at Central Catholic

Awards and Certificates

- Awarded Scholarship for Service (SFS) for doctoral research in information security (Mississippi State University – Fall 2013-Spring 2015; \$102,000 value)
- 2014 Outstanding Doctoral Student Researcher Award – Mississippi State University College of Business
- Information Assurance Professional Certificate (Spring 2015)
- Hunter Henry Travel Award (MSU College of Business – Fall 2012; \$1200)

Committees

- Mississippi State Graduate/Undergraduate Mentor Program - selected as one of five Graduate Mentors for pilot program (Fall 2013-Spring 2014)
- Graduate Student Representative on Mississippi State University Additional Course Fees Committee (Fall 2014-Spring 2015)

Work Experience

- Assistant Professor, University of South Alabama, Mobile, AL (beginning August 2015)
- IT Specialist / Technology Consultant, Central Catholic High School, Morgan City, LA (July 2007-July 2011)
- IT Specialist, Consulting and Safety Specialists, Inc., Thibodaux, LA (May 2006-June 2007)
- Internship in IT department at South Central Planning and Development Commission, Houma, LA (January – May 2006)
- Webmaster, Nicholls State University Office of Continuing Education (January 2004-May 2006)

Relevant Skills

- Programming
 - Experience with Visual Basic.NET, Objective-C for iOS programming, C++, ASP, PHP
 - In-depth understanding of object-oriented programming concepts
- Networking
 - Upgraded existing campus network to Cat5e with gigabit switches at Central Catholic High School
 - Installed and administered campus-wide wireless network at Central Catholic High School
- Web Development
 - Knowledge of HTML as webmaster for Nicholls State University Office of Continuing Education and Consulting and Safety Specialists
 - ASP.NET in Information Systems coursework and in web development projects for South Central Planning and Development Commission
 - Extensive knowledge of PHP and MySQL
- Database Management
 - Thorough understanding of MS SQL Server, MySQL, and Oracle fundamentals
 - Database design through ER diagrams and normalization
- Digital Forensics
 - Evidence acquisition and authentication (image creation and hashing)
 - File system analysis (FAT, FAT32, NTFS) using professional forensics software
 - Windows registry analysis
