

UNIVERSITY OF SOUTH ALABAMA

Position Available 8/15/17
Assistant Professor of Educational Media & Technology
Department of Counseling & Instructional Sciences
College of Education & Professional Studies

THE DEPARTMENT OF COUNSELING & INSTRUCTIONAL SCIENCES in the College of Education & Professional Studies at the University of South Alabama is seeking applicants for a full-time, tenure track academic appointment (9-month) in Educational Media & Technology at the rank of Assistant Professor.

THE UNIVERSITY OF SOUTH ALABAMA is a diverse and vibrant public university that is making a difference in the lives of the people of Alabama and the nation through teaching, research, service and health care. The University offers a wide range of high-quality undergraduate and graduate academic programs to over 16,000 students. Located in the City of Mobile, USA is the only major public institution of higher learning on the upper Gulf Coast and is among the fastest growing universities in the region.

THE COLLEGE OF EDUCATION & PROFESSIONAL STUDIES is one of nine colleges and schools of the University of South Alabama. Founded on February 1, 1967, the college serves approximately 1,500 graduate and undergraduate students. With a total annual budget exceeding 14 million dollars, the College supports a broad array of degree programs. The College is nationally accredited by the National Council for the Accreditation of Teacher Education and our educator preparation programs are accredited by the Alabama State Department of Education.

THE DEPARTMENT OF COUNSELING & INSTRUCTIONAL SCIENCES currently has 10 full-tenure track faculty, 1 non-tenure track instructional faculty, and 2 staff members. The Department offers a bachelor's degree in instructional design and performance improvement, master's programs in library media, educational technology, school and clinical mental health counseling (accredited by CACREP), and instructional design. The Department delivers a doctoral program in instructional design and co-delivers, along with the Department of Psychology, a doctoral program in clinical and counseling psychology.

RESPONSIBILITIES will primarily be to teach service courses in educational media and technology for teacher education programs at the undergraduate and graduate level. Additionally, teaching, and potentially coordination of, the Educational Technology M.S. program would be part of the faculty member's responsibilities. This hire will also be responsible for developing a line of scholarly research leading to peer-reviewed publications and external funding. Finally, this hire would participate in departmental, college and university service duties at the direction of the department chair. Service

could also include developing research and service partnerships around technology with K-12 schools in the region.

REQUIRED QUALIFICATIONS include an earned a doctoral degree in Educational Technology, or a closely related field such as Instructional Design or Library Science. The applicant must have 18 credit hours of graduate coursework in the area of educational technology. ABD's near completion will also be considered. Applicants who have completed their doctoral coursework, but are currently finishing their dissertation project will also be considered. Applicants must have evidence of teaching competency and evidence of an ability to publish peer-reviewed research, and demonstrate the potential to secure external funding.

DESIRED QUALIFICATIONS include applicants who can demonstrate skills related to applying technology to learning environments, and who can teach coursework related to this issue. In particular, experience teaching educational technology to pre-service teachers, and direct experience in K-12 settings working with technology is very desired.

COMPLETED APPLICATIONS must include a letter of interest, a current curriculum vitae, official transcripts, and three signed original letters of reference. Review of applicants' materials will begin August 1st, 2017, and continue until the position is filled. Send all application materials to Educational Technology Search Committee, ATTENTION: Dana Burlison, College of Education and Professional Studies, 307 University Blvd. North, University Commons 3600, University of South Alabama, Mobile, AL 36688-0002. Inquiries about the position should be directed to Dr. Joel Billingsley at phone: 251-380-2663 or email: lewis@southalabama.edu .
