

The University of South Alabama Department of Earth Sciences invites applications for a non-tenure-track, full-time (12-month), one-year-only Instructor position in Geography, starting August 15, 2017. The candidate will primarily teach introductory-level labs in Atmospheric Processes and Landscape Processes. A minimum of a Master's degree in Geography or a related field with a minimum of 18 graduate hours in Geography is required. The candidate selected for this position must be legally eligible to work in the U.S for the duration of the term of employment, and the candidate must be able to communicate effectively in English.

Review of applications will begin **June 28, 2017**, and will continue until the position is filled.

Please apply electronically at the following link and be prepared to attach a letter of application, current curriculum vitae, and provide the names and contact information of three references.

Applications must be submitted online at:

<http://www.governmentjobs.com/careers/usouthal/jobs/1769397>

Arrange to have official transcripts sent from all universities attended to the Search Committee Chair:
