

Department of Marketing and Quantitative Methods  
Mitchell College of Business  
University of South Alabama

The Department of Marketing and Quantitative Methods in the Mitchell College of Business at the University of South Alabama invites applications for a tenure-track position (all ranks considered) to teach DBA and MBA courses in supply chain management, logistics, and related areas, beginning August 15, 2018. The Department seeks candidates recognized as global scholars, with accomplished records of high-impact scholarly contributions. The successful candidate will demonstrate evidence of the strongest possible research record in the areas of supply chain management and marketing. Candidates should have an earned doctorate in Marketing or Supply Chain Management, from an AACSB-accredited institution.

Qualifications should include: Evidence of a strong research record commensurate with the rank; Research and teaching interests related to supply chain management, logistics, and related areas; Demonstrated distinction in teaching; Legal authorization to work in the United States at the time of appointment and for the term of employment; and Demonstrated excellence in organizational and communication skills.

While the search remains open until the position is filled, applicants should send materials as early as possible. Applicants should send a letter of application, vita, and the names and contact information of three references, electronically, to: Joseph Hair, Chair, Marketing Search Committee, Mitchell College of Business #361, University of South Alabama, 5811 USA Drive South, Mobile, AL 36688-0002, [jhair@southalabama.edu](mailto:jhair@southalabama.edu).

The University of South Alabama ([www.southalabama.edu](http://www.southalabama.edu)), classified as a high research activity university, is a major center of high-quality undergraduate, graduate, medical and professional education located on the upper Gulf Coast, enrolling more than 15,500 students. The university is located in Mobile, Alabama ([www.mobile.org](http://www.mobile.org)), recognized as a vibrant business, cultural, and recreational hub, located conveniently between the Florida Panhandle and New Orleans. Mobile is experiencing an economic surge across industry sectors, including aerospace, shipping and maritime interests, healthcare, distribution, and services. The Mitchell College of Business, accredited by AACSB International, endeavors to play a critical role in this ongoing regional economic growth.

The University of South Alabama is an Equal Opportunity Employer – Minorities / Females / Veterans / Disabled / Sexual Orientation / Gender Identity
