The Department of Pathology at the University of South Alabama seeks a Pathologists’ Assistant (PA). The duties of the PA will include grossing in surgical specimens with a particular emphasis on resident instruction. The individual should qualify as high complexity testing personnel under CLIA regulations. The individual will also assist residents in the performance of autopsies (usually one or two a week), and will be the contact person for families. Assistance in anatomic pathology research activities would also be expected, and independent scholarly work is encouraged as well as other required duties. When applicable, the position carries the faculty rank of Instructor or Lecturer. Interested individuals should contact Kathy Cannon, secretary to the Chair, University of South Alabama, Department of Pathology, 2451 Fillingim Street, Mobile, AL 36617, 251-471-7799, kacannon@health.southalabama.edu.
