Position Announcement: Orthopaedic Trauma Surgeon

The Department of Orthopaedics at the University of South Alabama is seeking a Board Certified/Eligible Surgeon to join the orthopedic faculty team. The University of South Alabama maintains a Level I Trauma Center with over 2,000 trauma admissions per year.

The successful candidate will have a keen interest in academic surgery in the areas of patient care, medical education, and trauma-related clinical and translational research. Ideal applicants should be fellowship trained with added qualifications in orthopaedic trauma care. Teaching responsibilities with orthopaedic surgery residents and medical students is an integral part of the program.

The Mobile metropolitan area is located minutes from the white sand beaches of the Alabama and Florida coasts. Home to over 600,000 residents, the Mobile area boasts a thriving economy and its cost of living is among the lowest of the 80 largest metropolitan areas in the U.S.

The University of South Alabama is an Equal Opportunity Employer: Minorities/Females/Veterans/Disabled
