The Department of Surgery, University of South Alabama College of Medicine in Mobile, Alabama is actively recruiting a dynamic pediatric surgery faculty member. The ideal candidate would be a graduate from a fellowship program who has a passion for clinical excellence, a desire to teach and who is open for research opportunities. The University of South Alabama Health System is a comprehensive teaching system with a Level I trauma center, regional burn center, cancer center and a recently-expanded women and children’s hospital. This will be a perfect opportunity for someone who wants to perform a broad range of pediatric surgery procedures.

The Mobile metropolitan area is located minutes from the white sand beaches of the Alabama and Florida coasts. Home to over 600,000 residents, the Mobile area boasts a thriving economy and its cost of living is among the lowest of the 80 largest metropolitan areas in the U.S.
