# Withdrawn Packages

Important Notes:

- **Both Packages and Projects may be Withdrawn.**
- **PIs are notified when Projects and Packages are Withdrawn.**
- **Withdrawn indicates the removal of a Project or Package because of administrative error, and it carries no negative connotations.**
- **If a study must be halted or not Approved, the status of the Project will change to one of the following: Terminated, Suspended, Closed, or Disapproved.**

Please carefully review Withdrawn Notices to understand what was withdrawn and by whom the study was withdrawn. If unsure email the support personnel named who withdrew the Project/Package; this is noted at the bottom of the IRBNet email for more information.
