USAonline Student Course

What is the USAonline Student Course?

The USAonline Student Course is an online orientation course available to anyone with a valid J-number. The purpose of the course is to help students become comfortable with using USAonline. The course is recommended for any student taking an online course.

How to join the USAonline Student Course

1. Log into USAonline at <https://ecampus.southalabama.edu/>
Note: To log in, type your J-number into the **Username** box (Example: J00987654) and type your JagMail email password into the **Password** box.
2. From the **My Workspace** page, click the **Membership** tool on the left-hand navigation bar.
3. Click **Joinable Sites** to see a list of all the current joinable sites.
4. Type **USAonline Student Course** in the search box and click **Search**.
5. Click **Join** under the site title.
6. Click the **My Current Sites** button and you will see the new site appear in your list of available sites.
7. Click **USAonline Student Course** from the list to enter the course.
8. Read the introduction under **Getting Started in USAonline** for instructions on how to get started.
