

Students will.....

- ♦ *Learn proper study habits and how to study in groups*
- ♦ *Receive intensive math review*
- ♦ *Become better equipped to meet the challenges of their freshman year*
- ♦ *Meet other new South Alabama Engineering majors*

Registration Information:

Program Application and Registration fee due by **August 5th**

Program Schedule

Monday-Thursday **8:00 a.m.-5p.m.**

8:00-11:30 Algebra/Trig. Topics

11:30-1:00 Lunch Break

1:00-5:00 Topics/Practice Exams

Friday **8a.m.-3p.m.**

8:00-11:30 Review

11:30-1:00 Lunch Break

1:00-3:00 Placement Test

Summer Mathematics Bridge Program 2011

University of
South Alabama

College of
Engineering

Math Bridge..... What is it?

“Engineering Math Bridge” is an intensive algebra and trigonometry review program for beginning freshman engineering students. As an incoming freshman, this program is designed to help you :

- ◇ Asses your math background and preparation for Calculus
- ◇ Enhance your study skills
- ◇ Develop problem-solving strategies
- ◇ Experience cooperative learning in a college environment
- ◇ Review and prepare to re-take the Math Placement test (given on the last day of the program)

Who should attend?

Any students planning to major in Engineering at USA who has been placed in MA 100, MA 112, MA 113 or MA 125 who would like to review their math skills and potentially move up 1 or more math levels is encouraged to attend Math Bridge.

Space is limited to the first 50 students to register. Don't wait, register early! **Registration Deadline: August 5th**

Program Dates: August 15-19

The Bridge Program will be held the week before classes begin in August. The program will begin on Monday at 8:00.

Instruction and study sessions will take place from 8:00 a.m. to 5:00 p.m. Monday through Thursday with breaks for breakfast and lunch. Practice tests and reviews will begin at 8:00 a.m. Friday morning until students take the Math Placement Test in the afternoon. Students who improve to a new math level will be assisted in changing their schedules.

Where will I stay?

You will stay either in the residence hall room assigned to you for the school year or at your personal off-campus housing. Those students that have made reservations and have been accepted for residence hall housing will be able to check-in for this program with no additional cost (make sure to check the campus resident box on the program registration form). The residence hall will be informed of your early arrival and will be expecting you. **We will allow students to check-in their dorms late Monday morning.**

Program Cost

The cost of the Bridge program will be \$250.

The Bridge registration fee will include:

- ◇ Continental Breakfast
- ◇ Lunch
- ◇ Instruction
- ◇ Study guide materials
- ◇ Refreshments

Cancellation Policy

Reservations and prepaid monies are allocated to predict instructors, material used in the classroom, and food reservation. Please understand that we do not refund any money collected due to this reason.
