

## Instructions for Obtaining Adobe Products Using the University of South Alabama/Adobe Systems, Inc., CLP License Agreement

### General

The University of South Alabama has obtained exclusive Contractual License Program (CLP) pricing from Adobe Systems, Inc., for a variety of Adobe Software products. The Adobe CLP allows University of South Alabama (USA) departments to purchase licenses for select Adobe products at a discounted rate. The agreement applies to both Windows and Macintosh Adobe software.

### Eligibility

Licensing under the Adobe CLP is available for purchase by all USA institution departments. Faculty and staff may not purchase under this program for personal use.

### Product Description/Availability

The Adobe Contractual Licensing Program (CLP) provides access to popular Adobe software at discounted pricing and allows for easy software license administration.

Most Adobe products (licenses, upgrade license, and maintenance) are eligible for volume discounts through the CLP, including the following:

Acrobat STD	Acrobat Professional
Adobe Encore	Adobe InCopy CS 2
Adobe Premiere Pro	After Effects PB
After Effects STD	Audition
Creative Suites Prem CS 2	Font Folio OT
FrameMaker	GoLive CS 2
Illustrator CS 2	InDesign CS 2
PageMaker	Photoshop Album
Photoshop CS 2	Photoshop Elements
Premiere Elements	Video Collection Pro
Video Collection STD	

**Note:** A media installation CD must be purchased with each initial product order at a cost of \$23.00 per CD. Future purchases of identical products do not require the purchase of additional CD's.

For a list of all products available through this program, as well as pricing, and availability, please check with the USA CLP Pricelist. All purchases under this program must be processed through normal Purchasing processes. Questions should be directed to the Purchasing Department @ 460.6586.

Specific information about each Adobe product can be found at the Adobe Site <http://www.adobe.com/products/index.html>.
