

Basic Information

Child's Profile

Instructor should assist parent in completing this sheet. This is basic demographic and diagnosis information.

Insurance Information

This is complete insurance information on one page. A copy of the front and back of the insurance card(s) can also be attached.

Primary Care Physician

Parents told us that when they go to a specialist, information on their PCP is always required. This completed sheet can be handed to office personnel to copy.

Consultants Sheet

This is a complete listing of all physicians who care for the child. This is also a sheet you can give to specialists and PCP's to save time.

Current Status of Sensory & Ability Information

Instructor should assist parent in completing this sheet. If not, discuss this sheet with your child's physician or nurse and have them help you complete it. If it does not apply to your child, move it to the back of the binder.

Pharmacy

This is a sheet with information that parents are constantly asked for by care providers. You can make copies of this and give it to the physicians' offices to put in their files.
