

### **Geo 201 Assignment 3: Where in the world...?**

Most geographers love to travel and is one of the reasons they chose geography. One of the key things to being a success is to think about other locations and cultures. For this assignment, you are to describe a place where you want to visit or live one day. For your assignment, write a 1 1/2 – 3 page paper (typed, double-spaced, 12-point font, 1 inch margin) on your location and answer the following questions:

- Where is it? Be specific – a city, region, or province vs. a small country.
- How would you get there? Can you fly or would you have to go on a boat?
- Describe the place: What is the climate like? What language is spoken there? Is it politically stable? What is the landscape like: flat, mountainous?
- Why do you want to visit that place?
- Finally, suppose someone gave you money to study a geography-related problem or issue at that place. What issue or problem could you study there?

Papers are due on September 13<sup>th</sup> at the beginning of class.
