

## Chapter 7 terms

Air mass  
Easterly wave  
Front  
Fujita tornado intensity scale  
Hurricane  
Midlatitude anticyclone  
Midlatitude cyclone  
Occluded front  
Saffrin-Simpson Hurricane Scale  
Stationary front  
Storm surge  
Thunderstorm  
Tornado  
Tropical cyclone  
Tropical depression  
Tropical storm  
Warm front  
Wind shear

### **Air mass types:**

Maritime Equatorial (mE)  
Maritime Tropical (mT)  
Continental Tropical (cT)  
Continental Polar (cP)  
Maritime Polar (mP)  
Continental Arctic (cA)
