

HY102-102 History of Western Civilization I

The following quizzes and exams will be used to evaluate student performance in this class. Quizzes and exams will be given as scheduled in the course outline and evaluated as indicated in the syllabus.

The non-essay questions on each quiz or exam may be any combination of true/false, fill-in-the-blank, multiple-choice, identify, or match type questions.

Quiz 1 Questions drawn from chapters 13-15 of the text and lecture topic covered until the date of the quiz. All questions will be non-essay. Question values may vary. Total points will be 100.

Midterm Part 1: Questions drawn from chapters 16-18 of the text and lecture topics covered since last quiz until the date of the exam. All questions will be non-essay. Question values may vary. Total points will be 100.

Part 2: Multiple short essay questions drawn from chapters 13-18 of the text and lecture topics covered since last quiz until the date of the exam. Question values may vary. Total points will be 75.

Quiz 2 Questions drawn from chapters 19-22 of the text and lecture topics covered since midterm until the date of the quiz. All questions will be non-essay. Question values may vary. Total points will be 100.

Final Part 1: Questions covering chapters 23-25 of the text and lecture topics covered since last quiz until the date of the exam. All questions will be non-essay. Question values may vary. Total points will be 100.

Part 2: Multiple short essay questions drawn from chapters 19-25 of the text and lecture topics covered since last quiz until the date of the exam. Question values may vary. Total points will be 75.

Part 3: One essay question drawn from chapters 13-25 of the text and lecture topics covered during the entire course. Points will be 50.
