Dear Student:

It's a great time to be a Jaguar! The Dean of Students Office is excited about the opportunity to serve you during this momentous time in the University's history. Please know that our capable staff stands ready to assist you in any way that we can as you strive towards your goal of graduation.

During your time here at the University of South Alabama, please call on my office to assist you in creative problem solving and in navigating this journey called higher education. Should you encounter a hurdle or just need to be pointed in the right direction, I and the staff of the Student Center, Multicultural Affairs, Student Media, the Counseling Center, Special Student Services, Campus Recreation and the Student Government Association are just a call, click or visit away.

I hope that you would keep this copy of *The Lowdown* and refer to it often. This handbook is a great tool to help you along the way. Please feel free to call on me and my staff should you ever need us. Lastly, welcome to YOUR University! Go Jags!

Sincerely,
