Dear Fellow Students:

On behalf of the Student Government Association, I would like to welcome you to the University of South Alabama. Our University is developing and expanding at a rapid rate, making it a wonderful time to be here. There are many opportunities available to students and I hope that you will take advantage of them!

One of the most important things that you can do in your time here is GET INVOLVED! Academics are a vital part of the college experience, but that is a given. It is also important to participate outside of the classroom. We have a variety of campus organizations and honor societies and I hope that each of you will find your place in at least one of these. There is a list of student organizations inside *The Lowdown* and I encourage you to drop in on their meetings and find out more about them. There is something for everyone!

If you decide that you would like to become involved in SGA, please visit our office in the Student Center, Room 280 or attend one of our weekly meetings on Monday at 8:00 p.m. We would love to meet you! We have a variety of committees that serve many functions around campus. The more students that participate, the better SGA will be!

Good luck this year,
