Dear Student:

We are excited to have you as a student at the University of South Alabama. As a member of our community, you will have many opportunities to become involved in campus life. These activities are a very important part of your total educational experience, so we challenge you to take advantage of them. *The Lowdown* contains most of the information you need to know about the activities that take place outside the traditional classroom walls, as well as, the rules, regulations, and procedures that will assist you throughout your college career.

As a member of the Jaguar family, you will be held accountable for the information contained in this publication. I encourage you to read and use it to help make your experience at USA an enjoyable and productive one.

The Division of Student Affairs is here to enhance your academic experience. Please do not hesitate to contact us if we can be of assistance. GO JAGS!

Sincerely,
