

**Tap Into Jobs with  
*Jaguar Job Link!*  
Career Services' On-line Career Management System  
Available to USA Students and Alumni**

**Career Services' on-line database allows you to:**

- Search and apply for career-related jobs including full-time, internship, and co-op positions.
- Publish your resume to the on-line resume book.
- Participate in on-campus interviews for which you are interested and meet the qualifications.

**Career Services' on-line database allows employers to:**

- Review your resume on-line.
- Request a resume referral.
- Invite candidates to interview for on-campus interviews.
- Announce their employer information sessions and on-campus programs.

**How do I Register?**

1. **Develop a Resume.** Need help getting started? A sample resume packet is available in Career Services or on our web site under Students → Job Search Preparation.
2. **Obtain a username and password** by visiting Career Services.
3. **Get your resume critiqued** by a Career Services advisor and **upload your resume** to *Jaguar Job Link*, Career Services' on-line career management system.
4. **Have your resume approved** by Career Services to apply for jobs meeting your interests and qualifications, and to request on-campus interviews.

**It's easy as 1, 2, 3, 4!**
