

# University of South Alabama Mitchell College of Business Brick Program

The University of South Alabama is excited to offer a unique opportunity for you to help pave the way to the new *Joseph and Rebecca Mitchell Learning Resource Center*. This 15,000 square-foot, free-standing Center is located adjacent to the college and houses a satellite library, financial investment/market room, computer labs, faculty offices, study rooms and much more. A brick-paved area leads students and visitors to the Center's entrance and provides an outside gathering place. This area is constructed of donated bricks. Purchasing a brick is an excellent way to help the College and forever make your name a part of USA! Each brick will have space for up to three lines of 12 characters. Bricks can be inscribed with your own name or in memory or honor of someone such as a faculty member, parent or child.

**Help create a tradition at the Mitchell College of Business by donating a brick today.**  
*You may purchase as many bricks as you wish!*

## YES! I want to leave my mark at USA!
