Total Credits - 60

NOTE: NU 545 Physiological Basis of Advanced Nursing Practice is required if you've never had a Graduate level Physiology or Pathophysiology course. NU 578 Pharmacology for Advanced Practice Nurses is required if you've never had a Graduate level Pharmacology course. NU 518 Advanced Nursing Assessment is required if you've never had a Graduate level Across the Lifespan Assessment Course. These courses must be completed by the end of the Summer semester in Year TWO.

NOTE: Your ability to progress in the curriculum is dependent upon your following this schedule. For example, some courses are only taught once each year and many have pre-requisites. If you are unable to enroll as projected, contact the DNP office for a revised schedule.
