Total credits = Specific to individual TRACK

NOTE: Your ability to progress in the curriculum is dependent upon your following this schedule. For example, some courses are only taught once each year and many have prerequisites. If you are unable to enroll as projected, contact the graduate office for revised schedule.

****RN to MSN students are issued an individualized course schedule upon admission to the MSN Program. The above schedule reflects the integration of bridge and core courses, and does not include clinical and specialty course work. Please refer to the specific MSN NP track for a detailed list of clinical and specialty courses.****
