Dear Health Care Colleagues,

It is the goal of Sigma Theta Tau to foster professional development, nursing scholarship, leadership, creativity, and commitment to Nursing. We pursue this goal in all arenas where nurses provide their professional expertise.

The Awards Committee would like to offer you the opportunity to recognize nursing excellence in your institution. Nominees for these awards do not have to be a member of Sigma Theta Tau. Guidelines for the recognition of these awards are attached. The following awards will be presented during the Membership Induction Ceremony in December 2010.

- Nursing Research**
- Nursing Practice**
- Nursing Mentorship**
- Outstanding Student**

The award entry form may be duplicated so that more than one person may be nominated from each facility. Documentation related to the award criteria should be attached. Letters of support (a minimum of two) of the nominee should accompany the entry form. Nominations are due by November 15, 2010 and may be submitted electronically or by regular mail as instructed on the award entry form.

Cordially,
