Dear Linda:

On behalf of the patients and staff of La Clinica de Baldwin/The Baldwin Clinic, we truly appreciate the generous donation of \$1,000.00. Please express our grateful thanks to all your members. We would be pleased to provide a tour of the Clinic to your members at their convenience.

The donation will enable The Baldwin Clinic to have the funds available through the Emergency Medical Fund to assist those patients who have been referred to the Clinic by Ministers, Counselors and Social Workers for medical treatment without cost due to their financial status. The Fund is also used to defer the cost for those patients who can not afford treatment but need to be referred to a physicians for a specialty situation.

Your organization's donation has enabled our Clinic to provide much needed medical services to our patients. We depend on the generosity of organizations, such as yours, to help us provide the extra services to our patients that the Clinic budget is unable to fund.

Please accept our thanks and deepest appreciation for this beneficial gift and your wonderful support of The Baldwin Clinic.

Sincerely,

Robert L. Renner  
Interim CEO
