 E-Mail: lbcviking@aol.com

EDUCATION

Ph.D.	Psychology, University of Southern Mississippi, 1967
M.S.	Psychology, University of Southern Mississippi, 1966
B.S.	Psychology, University of Southern Mississippi, 1964

Masters Thesis:	Figure Ground Confusion in Hemiplegic Patients
Dissertation:	A Critical Evaluation of the Methodology Used in the Computation of Person Perception Accuracy

EMPLOYMENT:

1994- Chair, Department of Psychology, University of South Alabama

Responsibilities as Department Chair

- ◆ Planning, recruiting, and recommending the appointment of faculty members
- ◆ Evaluating annually the performance of department faculty and making recommendations with respect to salaries, promotions, tenure, and retention
- ◆ Planning and recommending departmental programs and curricular changes, additions and deletions.
- ◆ Recommending departmental class schedules, semester and annually.
- ◆ Planning and recommending departmental space and needs
- ◆ Developing and supervising a departmental protocol for advising students
- ◆ Recommending annual budget requests, and after appropriations, supervising

expenditures

- ◆ Serving as custodian of all instructional property assigned to the department, including receipt, assignment, and eventual disposition
- ◆ Performing other duties as assigned by the dean, including special projects

Administrative Accomplishments

- ◆ Led the Department through a SACS review
- ◆ Developed the first Departmental Strategic Plan
- ◆ Planned and executed a renovation of the department and faculty offices
- ◆ Planned and executed a renovation of most of the laboratory space
- ◆ Developed an electro-physiology laboratory for student and faculty research
- ◆ Planned and executed a renovation of the Psychology Clinic
- ◆ Established a system of having Clinical Psychology faculty conduct their part-time private practice in the clinic increasing the revenue of the Psychology Clinic to approximately \$100,000.00 annually
- ◆ Initiated a review and revision of the graduate and undergraduate Psychology curriculum
- ◆ Developed an objective and detailed system for faculty evaluations
- ◆ Developed a culture within the department fostering scholarship
- ◆ Planned and implemented a laboratory for instruction in experimental research methods
- ◆ Increased the number and diversity of graduate and undergraduate course offerings
- ◆ Increased the operating budget by 50%
- ◆ Encouraged and assisted in implementing the first endowed chair in the Psychology Department
- ◆ Planned and executed the incorporation of technology into the classrooms dedicated to psychology such as ability to present powerpoint lecture presentations and access to the internet to enhance instruction

1968-94 Texas A&M University, Department of Psychology

Assistant Professor 1968-74; Associate Professor 1974-82; Professor 1982-1994

- ◆ Taught graduate and undergraduate courses
 - Social Psychology
 - Research methods
 - Introduction to Psychology
 - Psychological Statistics
- ◆ Director of graduate studies in the Psychology Department
- ◆ Assisted in developing the Ph.D. proposal and implementing the Ph.D. program after approval by the state
- ◆ Maintained a program of research involving both graduate and undergraduate students

PROFESSIONAL SERVICE AND HONORS

- ◆ American Psychological Association accreditation site visitor for Clinical Psychology Ph.D. programs
- ◆ Guest Reviewer for numerous journals
- ◆ Guest Reviewer for NSF
- ◆ Invited reviewer book manuscripts
- ◆ National Academy of Science study group member
- ◆ Committee judge for the Gordon Allport Intergroup Relations Prize
- ◆ President of Southwestern Psychological Association, 1983-1984
- ◆ Discussant for the "Tri University Conference for Counselors
- ◆ Lead member of the Program Review Committee for Psychology at University of West Florida (2001)
- ◆ Phi Kappa Phi Scholar of the Year award—2001
- ◆ Research Consultant to the Texas Department of Mental Health-Mental Retardation
- ◆ Research Consultant to Procter and Gamble Co.

GRANTS:

- 1969 Equivalence and validity of methods generated for use in the computation of person perception accuracy.
\$2,500.00 from the TAMU Research Council.
- 1972 Survey of Student views of TAMU.
\$4,000.00 from TEES.
- 1973 Evaluation of a Ward Attendant Training Program.
\$8,800.00 from the Texas Department of Mental Health and Mental Retardation.
- 1973 Identification of Strategies for Perceiving others accurately.
\$500.00 from TAMU mini grant.
- 1974 The relationship of perceptual to marital adjustment.
\$500.00 from TAMU mini grant.
- 1994 Computer fund to analyze data related to ward attendant training program.
\$400.00 from TAMU mini grant.
- 1976 Computer fund to analyze data from subject bias study.
\$150.00 from TAMU mini grant.
- 1977 With Ruch, C. Hurricane Response Model.
\$52,000.00 from Sea Grant #04-7-158-169.
- 1978 With Ruch, C. Psychological variables influencing response to hurricane warnings.
\$54,000.00 from Sea Grant #04-8-MO1-169.
- 1980 Investigation of the relationship between hypoglycemic symptoms and diagnosis of hypoglycemia.

- \$450.00 from TANU mini grant.
- 1981 Computer fund to analyze data collected for development of a psychometric scale.
\$210.00 from TAMU mini grant.
- 1983 Item analysis and validation of the Behavioral Index of Metabolic Imbalance.
