

Vita
Elise E. Labbé-Coldsmith, Ph.D.
October 2008

HIGHER EDUCATION

Louisiana State University
Minor - Philosophy
Major - Clinical Psychology
Ph.D. - 1983

Louisiana State University
Major - Clinical Psychology
M.A. - 1980

Loyola University of New Orleans
Minor - Mathematics
Major - Psychology
B.A. - 1978
Magna Cum Laude

PROFESSIONAL EXPERIENCE

Teaching

1995 -present University of South Alabama. Professor of Psychology. Graduate Coordinator. Undergraduate psychology courses taught: Introduction to Psychology, Abnormal Psychology, Health Psychology, and directed studies. Graduate psychology courses: Child and Family Therapy, Theories of Psychotherapy and Counseling, Introduction to Applied Psychology, Intelligence Testing, Psychological Assessment, Theories and Research in Psychopathology, directed studies and thesis research. Adjunct Associate Professor in the Department of Neurology and Department of Psychiatry.

1990 - 1995 University of South Alabama. Associate Professor of Psychology.

1986 - 1990 University of South Alabama. Assistant Professor of Psychology.

1985 - 1986 University of Miami, Comprehensive Pain Center, Department of Neurological Surgery. Research Assistant Professor. In-service education of health professionals. Supervision of psychology graduate students and master level psychology staff.

1983 - 1985 Virginia Polytechnic Institute and State University. Assistant Professor of

Psychology. Instruction of psychology undergraduate and graduate students.

Thesis and Dissertation Committees

2008 Thesis Chairperson:

Ashley Fobes, Effects of Different Types of Music on Stress in At Risk Youth, defended March.

Jim Dineen, Depression, Anxiety & neurophysiology Pre/Post September 11, 2001 Terrorist Attacks, defended March.

Committee member for Pam Jones, Psychophysiological Investigation of the Effect of Skill Level and Social Inhibition on Handgun Shooting Performance, in progress.

2007 Thesis Chairperson:

Rebecca D'Aquista, The Impact of Reality Group Therapy on the Behavior of At-Risk Middle School Students, defended March.

2006 Thesis Chairperson for:

Chris Carbo, The Effects of Group Therapy on At-Risk Middle School Students, in progress.

Nicholas Schmidt, Stereotype Vulnerability and Performance on the NEO PI-R Neuroticism Scale, in progress

Jonathan Babin, Construct Validity of the State-Trait Anger Expression Inventory, in progress.

2005 Thesis Chairperson for:

Kristen Booth, An evaluation of musical preference on the effects of different types of music on psychological and physiological response to stress", in progress.

Michelle Jimerson, The effects of different types of music on psychological and physiological response of adolescents, in progress.

Betty Jones, Evaluating Functional Family Therapy as an intervention in families of children with sickle cell disease, in progress.

2004 Thesis Chairperson for:

Amy Seay, "The Effects of a Circus of the Kids Program on the Psychosocial Functioning of Middle School Youth", defended May.

Committee Member for Jeff Klibert, Self-oriented and socially prescribed perfectionism: are they differentiated by adaptive and maladaptive psychological symptoms? defended May.

2003 Committee Member:

Allen Morgan, The associations among same-sex sexual attraction, suicidal behavior, suicidal proneness, depressive symptomology, hopelessness and social support, defended December.

Jared Vickery, Differences in preference of aggressive humor between adjudicated and non-adjudicated male adolescents, defended May.

2000 Thesis Chairperson for:

Kirsten Capeless, "Analysis and evaluation of levels of stress and coping mechanisms in law enforcement officers" defended August.

Yvette Nemeth, "The Predictive Validity of the Clinical Analysis Questionnaire in the Pre-Employment Selection of Police Officers" defended March.

Committee Member for Jody Wilkins, "Memory for digits during a cognitive interference

task in working memory" defended August.

1999 Thesis Chairperson for:

Jennifer Rowe, "The psychological predictors of successful weight loss following silastic ring vertical stapled gastroplasty" defended August.

Jason Burns, "The effects of different types of music on perceived and physiological measures of stress" defended May.

Deana Richardson "Effects of the Presence of a hearing Disabled Child on Parental Reports of Stress and Symptomology" defended August

1997 Thesis Chairperson for:

Mark Dennis, "The evaluation of biofeedback training and relaxation training for individuals with an internal versus and external locus of control" defended August.

Carol O'Brien, "Emotional self-regulation through controlled processing of cognitions and emotions" defended May.

1996 Thesis Chairperson for:

Irma Lopez, "Evaluation of psychological and behavioral factors in caregivers of children with epilepsy" defended August.

Committee Member for Heather Shepard, "Impact of success & failure on self-esteem & attributions of children diagnosed with attention-deficit/hyperactivity disorder" defended June.

Committee Member for Lisa Murphy, "Family relationships & children's adjustment in the single mother by choice family" defended June.

1995 Thesis Chairperson for:

Penny Besson "Use of Mini-mental Status examinations with Children: Reliability, Validity and Normative Data" defended August.

Mary Hendersen "Electromyographic biofeedback with relaxation training and home practice in the treatment of muscle-contraction headache in adolescents" defended June.

Paul Wiese "Development and validation of assessment devices for martial arts instructors" defended June.

1994 Thesis Chairperson for:

Dorn Majure "The effects of relaxation training on perceptions of stress" defended December.

Mathew Swiber "The Evaluation of Fetal Gross Body Movement as a Dimension of Temperament" defended November.

Angela Ferrera "A Comparison of Cognitive-Behavioral and Behavioral Programs in the Treatment of Childhood Obesity" defended August.

Committee Member for Pamela Mortellaro, "Locus of Control, Attribution, and Self-Efficacy in the Adherence to Sport Injury Treatment" defended March.

1993 Thesis Chairperson for:

Terasa Davis, "The effects of a rape-education intervention as a function of traditional sex role acceptance and gender" defended August.

Thesis Committee Member for Margaret Stewart.

1992 Thesis Chairperson for:

Julie Jarvis "Concurrent validity of the Differential Ability Scales for gifted preschoolers" defended November.

Jane Barbin "Assessing the relationship between types of preschools and the performance of preschool children on the Differential Ability Scales Subtest: Matching Letter-Like Forms" defended June.

Victoria Bell "Temperament in school-aged children" defended March.

1991 Thesis Chairperson for:

Rick LaGuardia, "Relationship between physical self-efficacy, anxiety and running performance with running club members and university track team members" defended August.

Committee Member for Stella Brown "Aerobic exercise in the psychological treatment of adolescents" defended June.

1988 Thesis Chairperson for:

Gregory Mistrot Tucker, "Cognitive coping strategies for pain: comparison between males and females on a cold pressor task" defended August.

Linda Christine Kilborn, "Claustrophobia development in response to magnetic resonance imaging (MRI) scanning procedures: an empirical study of related factors" defended October

Kenneth James Olsen, "The effect of novel visual feedback stimuli on biofeedback training for children" defended December.

Deena Delaney, "Evaluation of a 'suggested' training schedule for skin temperature biofeedback with children based on the current literature" defended December.

1985 Thesis Chairperson for:

Andrea Dunn, "Evaluation of the effects of visualization in muscle development".
Defended May - Virginia Polytechnic Institute and State University.

1983 - 1985 Dissertation committee member for fifteen dissertations in the Department of Psychology, Virginia State Institute and State University.

Other Advising:

1994 - Present Advisor for Personalized Study Program for Adults

1993 Discover Your Future Project: Mentor

Clinical

1987 Alabama Psychology License, #499.

1986 - Psychological Clinic, University of South Alabama. Clinical psychologist. Outpatient psychological assessment and treatment of children and adults. Specialty areas are health psychology, sport psychology, child clinical; and behavioral, social learning and cognitive therapy approaches.

1985 - 1986 Comprehensive Pain and Rehabilitation Center, University of Miami, Department of Neurological Surgery. Clinical psychologist. Inpatient and outpatient psychological assessment and treatment of medical patients.

- 1983 - 1985 Psychological Service Center, Virginia Polytechnic Institute and State University, Department of Psychology. Clinical psychologist, practicum supervisor and acting summer director. Outpatient psychological services. Developed a Behavioral Health Clinic.
- 1982 - 1983 J. H. Miller Health Center and Shands Teaching Hospital, University of Florida, Department of Clinical Psychology. Clinical Psychology Intern. APA approved Medical Psychology track. Inpatient and outpatient psychological assessment and treatment of psychiatric and medical populations. Neuropsychology rotation.

Research

- 1986 - the University of South Alabama, Department of Psychology. Ongoing projects in the areas of health psychology, sports and exercise psychology and child clinical psychology.
- 1985 - 1987 University of Miami, Comprehensive Pain Center, Department of Neurological Surgery, School of Medicine. Research Assistant Professor. Research projects on the psychological assessment and treatment of chronic pain patients. Other studies investigating behavioral, social and psychological factors associated with chronic pain.
- 1983 - 1985 Virginia Polytechnic Institute and State University, Department of Psychology. Assistant Professor. Research projects: Psychophysiological assessment and behavioral treatment of childhood headaches; evaluation of the effects of imagery on muscle strength and endurance; psychophysiological assessment and psychological treatment of hypertensive patients.

Departmental, College and University Committees

- 2008-2009 Psychology Department Committees: Graduate, Chair of Promotion & Tenure, DCCT Search. College of Arts & Sciences: APPC, GASP. USA Karate Club Faculty Advisor.
- 2007-2008 Psychology Department Committees: Graduate, Promotion & Tenure. Ph.D. Proposal Steering committee – chair, Clinical Faculty Search. College of Arts & Sciences: APPC, GASP. Promotion Committee for History Department, USA Karate Club, Faculty Advisor.
- 2006-2007 Psychology Department Committees: Graduate, Promotion & Tenure, Assessment, Newsletter. Ph.D. Proposal Steering committee – chair, College of Arts & Sciences: GASP. USA Karate Club Faculty Advisor.
- 2005-2006 Psychology Department Committees: Graduate, Promotion & Tenure. Ph.D. Proposal Steering committee – chair, College of Arts & Sciences Faculty Award Committee, GASP. Promotion & Tenure Committee for Department of

- 2004-2005 Communication and Visual Arts. . USA Karate Club Faculty Advisor.
Psychology Department Committees: Graduate, Promotion & Tenure. College of Arts & Sciences Sabbatical Committee, GASP. Faculty Senate Mentor. USA Karate Club Faculty Advisor.
- 2003 – 2004 Psychology Department Committees: Clinical Search, Graduate, Promotion & Tenure, Space & Equipment. Arts & Sciences GASP. University Academic Computing Committee
- 2002 – 2003 Psychology Department Committees: Graduate (Chair), Promotion & Tenure, Academic Standards, Ph.D. Proposal (Chair), Workload. A&S College Committees: GASP, Strategic Planning, Work Load, Faculty Awards (Chair), & Get Acquainted Day Presentation
- 2001 – 2002 Psychology Department Committees: Work Load Distribution, Academic Standards, Promotion and Tenure, Ph.D. Proposal (Chair), A&S Faculty Awards Committee (Chaired), Get Acquainted Day Presentation
- 2000 – 2002 A&S College Workload Committee
- 2000 – 2002 A&S College Strategic Planning Committees
- 2000 - 2001 A&S College Promotion and Tenure Committees
- 1997 - 2000 Faculty Senate, A&S senator, Caucus Leader, 1997-1999
- 1999 - 2000. Faculty Senate Chair A&S Dean Search Committee, VP for Academic Search Committee, Budget Council, Academic Standards Committee, all university wide committees, and various ad hoc committees
- 1998 - present Psychology Department Graduate Coordinator.
- 1998 - 2002 University Academic Computing Committee
- 1998 - 1999 A&S College Promotion and Tenure Committees
- 1999 - 2000 Promotion and Tenure Committees for Marine Sciences and Psychology Departments
- 1994 - 1999 Graduate Council elected by faculty
- 1992 - 1997 Dean Lecture's Selection Committee
- 1992 - 1993 Member of Psychology Chair Search Committee
- 1992 - 1997 University Council on Research,
- 1991 - 1993 University of South Alabama Research Committee
- 1989 - 1993 Psychology Department Comprehensive Exam Committee
- 1989 Athletic Department Tennis coach selection committee
- 1986 - Present Psychology Department Graduate Committee
- 1984 - 1985 Psychology Department Affirmative Action Committee, Virginia Polytechnic Institute and State University (VPI)
- 1983 - 1985 Psychology Department Clinical Psychology Faculty Search Committee, Psychology Department Clinical Training Committee, VPI
- 1983 - 1984 Psychology Department Liaison Committee with the Office of Occupational Health and Safety, VPI

Society Membership and Offices:

- 1975 - Present Psi Chi Psychology National Honor Society, Secretary 1975; Vice-President 1976-1977, of the Loyola University Chapter.
- 1981 - Present Southeastern Psychological Association, Member. Member of Program Committee. Judge for the Committee for the Equality of Professional Opportunity.
- 1981 - Present Association for Advancement of Behavior Therapy, Member.
- 1984 - Present Phi Kappa Phi, National Honor Society, Member. President USA chapter (2001-2002)
- 1986 - Present American Psychological Association, Member. Division member of Exercise and Sport Psychology and Health Psychology.
- 1994 Alabama Association for Behavioral Medicine, Member.
- 1994 – 1998 Member Southern Pediatric Neurology Society
- 1996 - Present Member Mobile Psychological Association. President elect (1997), President (1998)
- 1997 - Present Member Alabama Psychological Association. Regional Representative (1998), Present elect (1999), President (2000), Past President (2001)
- 2004 – Present Member of the Association of Applied Psychophysiology and Biofeedback.

Honors and Awards:

- 1974 - 1978 Academic Scholarship from Loyola University.
- 1975 - 1976 University Fellow, Loyola University. Participated in honor courses, independent studies and executive honors board.
- 1977 Richard Frank Memorial Grant for Scientific Research. Loyola University.
- 1978 - 1979 National Institute of Mental Health Scholarship from Louisiana State University
- 1979 - 1982 Louisiana State University, Graduate Assistantship.
- 1984 Orurobors Award - Who's Who in Biobehavioral Sciences, (meritorious research furthering understanding of psychophysiological processes).

- 1991 - Present Who's Who of American Women, Who's Who in the South and Southeast
Who's Who in Medicine and Health Care
- 1993 Author Reception presented by U.S.A. bookstore
- 1994 Faculty Development Award
- 1994 Faculty Development and Support Award
- 1992 - Present Associate Editor of *Journal of Sport Behavior*
- 1993 - Present Invited reviewer for *Perceptual and Motor Skills; Biofeedback and Self-Regulation; Psychological Reports; Health Psychology; Behavior Therapy; Behavior Therapy & Experimental Psychiatry; Journal of Pediatric Psychology, Journal of Palliative Medicine*
- 1996 Phi Kappa Phi Scholar of the Year Award
- 1998 - present Editor in Chief of *Journal of Sport Behavior*
- 1998 Outstanding Professional Achievement Award, Mobile Association of Psychologists
- 2001 College of A&S Faculty Service Award
- 2004 Sabbatical Award
- 2005 College of A&S Excellence in Teaching Award
- 2005 Appointed to the editorial board of *Journal of Applied Psychophysiology and Biofeedback*

Grant Awards and Submissions:

- 2005 Evaluating Anger and Resiliency in Relation to Racial Stereotypes During Stress, Office of Juvenile Justice and Delinquency Prevention (OJJDP), funded, \$58,076.
- 2004 Evaluating Types of Music as a Coping Tool for Reducing Stress in Youth, Office of Juvenile Justice and Delinquency Prevention (OJJDP), funded, \$51,616.

Enhancement of Medical Home Concept: Parents as Partners. Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Services Federal Set-Aside Training, PI: Haynes Johnson, M.D with Elise Labbé,

Ph.D. and James Lee, Ph.D., not funded.

2003 Bridging the Gap of Health Disparities in Sickle Cell Disease through basic, clinical and psychosocial research training (Project EXPORT): Pilot research component core and training component core. National Center on Minority Health & Disparities, \$100,000, not funded.

2002 Predicting Response to Functional Family Therapy: A Treatment Option for Reducing At Risk Behavior in Youth, OJJDP, \$97,920, funded

Project FLEX: an interagency collaboration to provide in-home implementation of Functional Family Therapy to 237 youth offenders and their families from Mobile County annually. Department of Health and Human Services, Substance Abuse and Mental Health Services Administration, Center for Mental Health Services; Co-PI with Cynthia Weaver, M.S.W., \$399,995, September 2001, not funded.

2001 Predicting Response to Functional Family Therapy: A Treatment Option for Reducing At-Risk Behavior in Youth, OJJDP, \$113,924, funded

OHP Curriculum Development for the Masters Degree in Psychology Program, American Psychological Association, \$22,000, not funded.

The Children's Research Initiative: Integrative Approaches, National Science Foundation.
Co-PI with James Lee, \$99,689, not funded.

Evaluation of a Family Functioning Intervention for Families Caring for Children with Sickle Cell Disease, National Institute of Health, \$50,422 annually for 5 years, not funded.

1998 USA Sickle Cell Research Initiation Grants. Neurological and Psychological Studies in Asymptomatic Sickle Cell Children. \$24,000, not funded.

1996 A Psychobiological Model of Migraine Headache. NIMH: Biobehavioral Research Program, \$412,903, not funded.

Depression in Children and Adolescents: Evaluating the Interaction of Risk Factors. University of South Alabama Research Council, \$4,670, funded.

1995 Battens Disease Support and Research Association: Study of the Neuronal Ceroid Lipofuscinosis Diseases Evaluation of Family Functioning and Development of Interventions: \$3,000 - Funded.

- 1994-1998 Sickle Cell Study Grant. Psychological Evaluation of Sickle Cell Children. 9% support time funded.
- 1994 Neuronal Ceroid-Lipofuscinoses Research Grant: Center Grant. Dept. of Health and Human Services, CO-PI on several studies with Paul Dyken, Neurology Professor. \$5,305,723, five years, not funded.
- 1994 The relationship between fatigue and depression and adults and parent/child pair. IDEA project. \$50,000, not funded..
- 1990 USARC, "The influence of Aerobic Exercise on Children with Attention Deficit Disorder". Welsh & Labbé. \$3,934, not funded.
- 1986 Childhood Headache Project: Evaluation of behavioral and psychophysiological assessment and biofeedback treatment. University of South Alabama research grant, \$3,000 funded.
- 1983 Behavioral approaches to the assessment and treatment of childhood headache. Virginia Polytechnic Institute and State University research grant, \$2,000 funded.

PRESENTATIONS and SESSIONS CHAIRED at PROFESSIONAL MEETINGS

Labbé, E. & Williamson, D. (1982, April) *Temperature biofeedback in the treatment of children with migraine headache*, annual meeting of the Southeastern Psychological Association, New Orleans, La.

Murphy, J. & Labbé, E. (1982, April) *Weight loss: Subject compliance with prescribed behaviors*, annual meeting of the Southeastern Psychological Association, New Orleans, La.

Labbé, E. & Williamson, D. (1982, November) *Skin temperature feedback and autogenic training with home practice in the treatment of childhood migraine*, annual convention of the Association for the Advancement of Behavior Therapy, Los Angeles, Ca.

Williamson, D., Labbé, E., Schellinger, J., & Waggoner, C. (1982, November) *Behavioral treatment of headaches: Psychophysiological bases of therapeutic benefits*, annual convention of the Association for the Advancement of Behavior Therapy, Los Angeles, Ca.

Labbé, E. (1983, February) Sexual dysfunction. *Workshop presented at the Diabetes Research Education and Treatment Center*. University of Florida, Gainesville, Fl.

Labbé, E. (1983, April) *Empirical evaluation of prevention programs: Beyond self-report*. In symposium, "Prevention of marital dissatisfaction: Improving intimate relationships." Annual

convention of the Southeastern Psychological Association, Atlanta, Ga.

Labbé, E. (1983, May) *Stress management on the job*. Clinical and Community Dietetics Program, University of Florida. American Dietetic Association, Gainesville, Fl.

Labbé, E., Williamson, D. & Southard, D. (1985, April) *Reliability of headache assessment for children with migraine headaches*, annual Convention of the Society of Behavioral Medicine, Toronto.

Dunn, A., Labbé, E., Sebolt, D., & Bobko, P. (1986, January) *Imagery content and perspective and its effect on development of muscular strength*, annual meeting of the Southeast Chapter of the American College of Sports Medicine, Atlanta, Ga.

Labbé, E. (1986, March) Chairperson for Symposium: *Behavioral assessment, treatment and developmental issues of childhood headache*, annual Southeastern Psychological Association, Orlando, Fl.

Labbé, E. & Johnson, R. (1986, March) *Assessment and treatment of Muscle-Contraction Headaches in children*, annual convention of the Southeastern Psychological Association, Orlando, Fl

Labbé, E. (1987, March). *Clinical biofeedback with children*. Workshop presented at the Annual convention of the Southeastern Psychological Association, Atlanta, Ga.

Labbé, E. (1987, March). *Community Psychology*. Chairperson for paper session at the Annual convention of the Southeastern Psychological Association, Atlanta, GA.

Labbé, E., Goldberg, M., Fishbain, D., Steele-Rosomoff, R. & Rosomoff, H. (1987, August). *Millon Behavioral Health Inventory norms for male and female chronic pain patients*, Fifth World Congress of the International Association for the Study of Pain, Hamburg, FRG.

Goldberg, M., Labbé, E., Fishbain, D., Steele-Rosomoff, R. & Rosomoff, H. (1987, August) *Comparison of compensation and non-compensation chronic pain patients on the Millon Behavioral Health Inventory (MBHI)*, Fifth World Congress on Pain of the International Association for the Study of Pain, Hamburg, FRG.

Steele-Rosomoff, R., Fishbain, D., Goldberg, M., Labbé, E. & Rosomoff, H. (1987, August). *Compensation and non-compensation mixed chronic pain patients categorized by DMS-III Diagnostic Criteria*, Fifth World Congress on Pain of the International Association for the Study of Pain, Hamburg, FRG.

Labbé, E., Welsh, C., & Delaney, D. (1988, April) *Effects of consistent aerobic exercise on the psychological functioning of women*, annual convention of the Southeastern Psychological

Association, New Orleans, La.

Welsh, C., Labbé, E., & Delaney, D. (1988, April) *What makes them run? Exercise compliance variables in previously inactive women*, annual convention of the Southeastern Psychological Association, New Orleans, La.

Labbé, E. (1988, April) *Health Psychology*. Chairperson for paper session presented at the Annual convention of the Southeastern Psychological Association, New Orleans, La.

Labbé, E., Delaney, D., Olson, K., & Hickman, H. (1989, March) *Skin temperature biofeedback training: Predicting performance and the psychological effects of a non-clinical child population*, annual convention of the Southeastern Psychological Association, Washington, D.C.

Welsh, C., & Labbé, E. (1989, March) *Are fun runs fun for kids? A survey of school-aged participants*, annual convention of the Southeastern Psychological Association, Washington, D.C.

Labbé, E. (1989, March) *Medical Psychology*. Chairperson of poster session at the Annual convention of the Southeastern Psychological Association, Washington, D.C.

Kilborn, C. & Labbé, E. (1989, August) *Claustrophobia development in response to magnetic resonance imaging scanning procedures*, annual convention of the American Psychological Association, New Orleans, La.

Delaney, D., Olson, K., & Labbé, E. (1989, August) *Thermal biofeedback with children: Evaluation of a suggested training schedule*, annual convention of the American Psychological Association, New Orleans, La.

Labbé, E. (1989, December) *Invited Speaker: Clinical and research issues in the behavioral treatment of migraine headache*. 1st Annual conference of the Psychology of Health, Immunity, and Disease, Boston, Ma.

Labbé, E. & Welsh, C. (1990, April) *Psychological and physical effects of a jogging program for grade school children: A controlled group outcome study*, annual convention of the Southeastern Psychological Association, Atlanta, GA.

Coldsmith, B., Labbé, E. & Bertch (1991, March) *Factors affecting college choice of high school distance runners*, annual convention of the Southeastern Psychological Association, New Orleans, La.

Labbé, E. (1991, September) Conference Director and Presenter. *Health Psychology in the 1990's: Current issues and clinical applications*. Human Performance Systems, Mobile, Al.

Labbé, E. (1992, March) *Health Psychology-Prevention*. Chairperson for poster session presented at the annual convention of the Southeastern Psychological Association, Knoxville, TN.

Labbé, E. (1992, March) *Psychological effects of aerobic activities in children*. In symposium, "Sport Psychology: Not for the "elite" athlete only", annual convention of the Southeastern Psychological Association, Knoxville, TN.

LaGuardia, R. & Labbé, E. (1992, August) *The relationship between Self-efficacy, anxiety and race performance of long distance runner*, the Centennial Convention of the American Psychological Association, Washington, D.C.

Labbé, E. (1992, September) Conference Director and Presenter. *Sport Psychology in the 1990's: Current issues and clinical applications*. Human Performance Systems, Mobile, Al.

Labbé, E. (1993, April) *The role of self-efficacy and sport behavior*. Chair of paper session at the 85th annual meeting of the Southern Society for Philosophy and Psychology. New Orleans, La.

Labbé, E. (1993, April) *Self-efficacy and sport behavior*. Chair of paper session at the 85th annual meeting of the Southern Society for Philosophy and Psychology. New Orleans, La.

Labbé, E. (1993, August) *Therapeutic Interventions*. Chair of paper session Sport Psychology at the 101st Annual Convention of the American Psychological Association. Toronto, Canada.

Labbé, E. (1994, March) *Performance*. Chairperson for paper session presented at the Annual convention of the Southeastern Psychological Association, New Orleans, La.

Labbé, E. (1994, April) *Measuring self-efficacy in the sports setting*. In symposium, "I think I can: Self-efficacy and sports", annual convention of the Southeastern Psychological Association, New Orleans, La.

Labbé, E. (1994, May) *Skin temperature biofeedback: A component analysis with childhood migraine patients*, 1st Annual Research Forum, University of South Alabama Research Council. Mobile, Al.

Labbé, E. (1994, September) *Treatment of childhood migraine with skin temperature biofeedback, autogenic training and home practice: a component analysis*, 10th annual Migraine Trust International Symposium, London, U.K.

Labbé, E. (1994, September) *Integrating writing exercises for Tests and Measurements" graduate class*. Invited presenter for the Writing Across the Curriculum Seminar. University of South Alabama, Mobile, Al.

- Labbé, E. (1995, January) *Childhood Dementias*, annual conference of the Southern Neurological Society, Duck Key, Fl.
- Labbé, E. (1995, March) *Can competitive sports be healthy for children?: Current findings and recommendations*. In symposium Sports Psychology Applications to Health: Theoretical and Empirical Consideration. Annual conference of the Southeastern Psychological Association, Savannah, Ga.
- Ferrara, A. & Labbé, E. (1995, March) *Evaluation of a cognitive- behavioral treatment program for childhood obesity*. 41st Annual conference of the Southeastern Psychological Association, Savannah, Ga.
- Besson, P. & Labbé, E. (1996, March) *Evaluation of the mini-mental state exam with children*. Annual conference of the Southern Pediatric Neurology Society, New Orleans, La.
- Labbé, E., Murphy, L., & O'Brien, C. (1996, March) *A prospective evaluation: Psychosocial factors and prediction of headache*. 42nd Annual conference of the Southeastern Psychological Association.
- Labbé, E. (1997, September) *Demonstration and discussion of writing exercises for Health Psychology*. Invited presenter for the Writing Across the Curriculum Seminar. University of South Alabama, Mobile, Al.,.
- Labbé, E. (1997, July). *Family functioning and emotional coping: caring for children with Battens disease*. Invited speaker for Battens Disease Support & Research Association Annual Conference, San Antonia, TX.
- Labbé, E., Lopez, I., Murphy, L., & O'Brien, C. (1997, August) *Psychological Differences: caring for the chronically versus terminally ill child*, annual Conference of the American Psychological Association, Chicago, Ill.
- Haynes, J., Herbert, D. & Labbé, E. (1997, September) *Physician Attitudes & Practices in Treatment of Acute Pain Episodes*, 25th National Sickle Cell Program Meeting.
- Labbé, E., O'Brien, C., Dennis, M., Maerten, P., Dyken, P., & O'Connor, S. (1998, March). *Evaluation of Cognitive Functioning in Children with Sickle Cell Disease*, annual Conference of the Southeastern Psychological Association, Mobile, Al.
- Labbé, E. (1998, March). *Psychology in the Community*, annual Conference of the Southeastern Psychological Association, Mobile, Al.
- Labbé, E. (1998, March). *Chair: CEPO student research award presentations*, annual

Conference of the Southeastern Psychological Association, Mobile, Al.

Dufour, C., Burns, J. Labbé, E., Williams K. & McCall, J. (1998, March). *Muscle Tension and Mozart: Stressing the Importance of Music*, annual Conference of the Southeastern Psychological Association, Mobile, Al.

Labbé, E., Crimmins, K., & Burns, J. (1998, November) *Depression in Youth: evaluating the interaction of risk factor*, 32nd annual American Association of Behavior Therapist, Washington, D.C.

Labbé, E. (1999, March). *Chair: CEPO student research award presentations*, 45th Annual Conference of the Southeastern Psychological Association, Savannah, GA.

Burns, J., Labbé, E., Williams, K, McCall, J. (1999, March). *Perception & physiology: disharmonious measures of the effects of music*, 45th Annual Conference of the Southeastern Psychological Association, Savannah, GA.

Pack-Mabien, A., Labbé, E., Herbert, D. & Haynes, J.(1999, March) *Nurses Attitudes and practice in sickle cell pain management*, 23rd annual meeting of the Sickle Cell Disease Program, San Francisco, CA.

Labbé, E. (1999, November) *Goals 2000 for Alabama Psychologists*. Annual Retreat for the aPA Executive Council, Cheaha, Alabama.

Labbé, E., Capeless, K., & O'Brien, C. (2000, March) *Evaluating the headache questionnaire using the severity model of pain*, 46th Annual Meeting of the Southeastern Psychological Association. New Orleans, La.

Labbé, E., Comiskey, J. & Cooksey, B. (2000, March) *The Computer Usage Inventory: Assessing Computer Addiction in College Students*, 46th Annual Meeting of the Southeastern Psychological Association, New Orleans, La.

Labbé, E. (2000, March) *Chair of session: CEPO Student Research Award*, 46th Annual Meeting of the Southeastern Psychological Association., New Orleans, La.

Capeless, K, & Labbé, E. (2000, March) *Evaluating Coping Responses of Police officers*. USA 7th Annual Research Forum, Mobile, Al.

Labbé, E. (2000, June) *Presided over the Annual Conference for the aPA Executive Council*, Fort Walton Beach, Florida.

Labbé, E. (2000, November) *Chaired Annual Retreat for the aPA Executive Council*, Cheaha, Alabama.

Labbé, Nemeth, Comiskey, Masood & Jones (2000, November) *Internet Addiction: Signing off is hard to do*, 34th Annual Meeting of the Association for the Advancement of Behavior Therapy, New Orleans, La.

Labbé, E.(2001, March) *Mental Health Needs and Coping in At-Risk Girls*, 47th Annual Meeting of the Southeastern Psychological Association., Atlanta, GA

Labbé, E. (2001, September). *Evaluating and Treating Chronic Pain the Severely Mentally Ill. Eight Annual Psychology Symposium*, Department of Mental Health and Mental Retardation, Searcy Hospital, Mt. Vernon, Al.
