

# Fall 2011 Diploma Name and Tentative Honors List

*This list contains names of candidates for graduation in the Fall 2011 term. Tentative honors, if indicated, are based on the University of South Alabama cumulative GPA including, and computed after, the last completed term. Honors are awarded only to first degree undergraduate students with 60 hours in residence and a cumulative GPA of 3.50 or higher. Transfer credit is not counted in the honors calculation. Honors are not awarded to second degree, graduate-level, or professional-level students. Final honors will be determined after the Fall 2011 term grades are recorded by the Registrar's Office. This list was compiled on 9/22/11; any names added or deleted from the Fall 2011 graduation candidate list after this date are not included.*
