Special Instructions: _____

An inventory of your Course Reserve Material is recommended each semester. We want to help you keep your Reserve Files as current as possible. Since Reserve Books are in closed stacks with limited charge-out periods, they are not readily available to all library users. Please help us make them available by canceling Course Reserve Materials when they are no longer required for your class(es).

COPYRIGHT RESTRICTIONS

The library will only fulfill requests where the instructor acknowledges, by signing below, that (s)he has read and complies with this copyright restriction.

The copyright law of the United States (Title 17, United States Code) governs the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or other reproduction is not to be "used for any purpose other than private study, scholarship, or research." If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use," that user may be liable for copyright infringement. This institution reserves the right to refuse to accept a copying order if, in its judgment, fulfillment of the order would involve violation of copyright.
