MAKE PLANS NOW TO ATTEND YOUR CREDIT UNION’S ANNUAL MEETING

The annual meeting is your credit union’s once-a-year opportunity to show our appreciation for your support and membership. We’ll have food, soft drinks, and door prizes. But more importantly, we want you to attend for a couple of good reasons:

1. Members of the Board of Directors will be selected—we need your votes.
2. We need your ideas, comments, suggestions, questions, and concerns—it’s what makes your credit union a very special financial institution.

So mark your calendar now for Tuesday, February 21, 2006, 5:30 p.m. in the lobby of the Credit Union and we’ll see you at the meeting!

****PLEASE NOTE****

Effective July 1, 2006, members with less than the credit union’s required minimum share balance of $25.00 will be charged a fee of from $.01 to $24.99, whichever is greater, not to exceed the balance.

Please check your statement to make sure you have the minimum $25.00 balance in shares.

Need Cash?
Tap the Equity in Your Home

Need money to buy a vehicle, remodel the kitchen, or take that dream vacation? Consider using a home equity loan from your credit union.

Your credit union can set up a home equity line of credit whereby you can access the funds as you need them, up to a predetermined limit. Money in the home equity line of credit is then made available again as it is paid back.

The interest rates are very favorable because the loan is backed (or secured) by your home. And, in most cases, the interest that you pay on your home equity loan is tax-deductible. If a home equity loan sounds like the solution to your needs, talk to one of our loan specialists at the credit union today.

Phishing: What is it?

“Phishing” is a high-tech internet scam using e-mails (spam) or pop-up messages trying to trick you into giving out your financial and personal information. The “phisher” pretends to be a legitimate financial institution or credit card company. The e-mail usually says that you need to “update” or “validate” your account information. The message usually directs you to follow a link to a Web site that looks like a legitimate financial organization – but it isn’t. It is a spoof Web site and the phishers want to trick you into divulging your personal information so they can steal your identity and conduct fraudulent transactions using your information.

Please note that your Credit Union will NEVER ask you by way of e-mail for any confidential or financial information. If you ever receive an e-mail from the credit union that appears to be suspicious, please contact us immediately.

After-hour and weekend deposits can be made at our convenient night depository located in the drive-up at our location at 103 Hillcrest Road.

and ask about an AUTO LOAN deal from your CREDIT UNION.

PEACE OF MIND
WITH OVERDRAFT PRIVILEGE

It happens to the best of us. We unintentionally write a check for more money than we have in our checking account, forget to record an ATM withdrawal, forget to note a debit transaction, or forget to note an automatic bill pay deduction. Whatever the reason, a check returned for insufficient funds (NSF) is both costly and embarrassing.

Your credit union now offers an Overdraft Privilege Program. It is not a line of credit. However, if you inadvertently overdraw your checking account, the credit union will have the discretion to pay the overdraft, subject to the limit of the Overdraft Privilege Program and the amount of the overdraft fees.

If you are not on the Overdraft Privilege Program yet, call our member services representative and ask if you qualify.
