TOTAL LIABILITIES & EQUITY $15,468,240.91

CREDIT UNION
ANNUAL MEETING

It’s that time of year again when your credit union would like to encourage you to attend the annual meeting. This is our chance to give members an annual progress report of where we are and where we are going as a financial institution. You’ll also get a chance to meet and chat with your elected officers and board members. There will be refreshments, and you’ll have the opportunity to mingle with your fellow credit union members.

Mark a spot on your calendar today for February 18, 2002, 5:30 p.m. in the Life Sciences Lecture Hall on campus. Hope to see you at the meeting.

HOME EQUITY LOANS

Need money for home improvements, vacation, or college? Look no further than your own home. If you own your home free and clear, or if your house is worth more than you owe on it, that means you have equity. You can use that equity to obtain a loan to buy most anything you want or need. Best of all, the interest on a home equity loan, in many cases, may be tax-deductible (see your tax consultant for more information). Your credit union can set up an open-end line of credit you can access when you need money. So what will it be? A new car? Boat? Home theater system?

For a limited time only, qualified members can get 1.99% APR for the first six months on a credit union home equity loan.

Stop by or call us today at 380-2851 and let us turn those dreams into reality.

•••••••

Holiday Loans Extended

The credit union will continue to offer Holiday Loans of $1,200 for 12 months for as low as 8% APR through January 31, 2003. Pay off after-holiday charges; pay off credit cards or bank loans. Call our Loan Department at 380-2854 today!
